

Signed at Beijing August 31, 1993  
Entered into force August 31, 1993

**Memorandum of Understanding on Statistical Cooperation  
between National Statistical Office of the Republic of Korea  
and State Statistical Bureau of the People ' s Republic of China**

The National Statistical Office of the Republic of Korea and the State Statistical Bureau of the People ' s Republic of China (hereinafter referred to as "the Parties"),

In order to promote statistical exchange and cooperation between the two countries,

In accordance with the provisions of the Agreement on Scientific and Technological Cooperation between the Government of the Republic of Korea and the Government of the People ' s Republic of China ("the Agreement") signed on September 30, 1992,

Have agreed as follows:

- I. In order to facilitate the cooperation, the Parties may hold consultation on the dates to be agreed upon.
- II. The Parties will endeavor to promote exchange of statistical information including statistical publications.
- III. The Parties will endeavor to promote technical cooperation for statistical development of both countries in the forms of training, consultation, discussion, etc.
- IV. This Memorandum of Understanding is subject to change according to mutual agreements between the Parties.
- V. This Memorandum of Understanding will enter into force on the date of signature and will remain in force while the Agreement remains in force.
